Hi Dena and Ken –

Please let me know if you would have time to take a quick look at the attached draft response from Matt to the Concerned Citizens for Clean Air regarding issues in their Apr 2016 letter concerning the situation at Oceano Dunes. If your time is limited, Dena should at least review second and third paragraphs on p1 (also see my comment), and Ken should at least review the full paragraphs on p2 beginning with “In your letter ...”

Dena – FYI. We received the attached doc from Larry Allen. Matt suggested we mention it in our response. I attempted to do so by adding the first full paragraph on p2. Let me know if you’d like to chat about it.

If possible, I’d like to get this to Matt by noon tomorrow. If you need more time, please let me know.

Thanks
